# LIVING ARRANGEMENTS

## SEOUL CAMPUS

ECU offers international students a variety of accommodation options, including on-campus villages, off-campus private rental properties, and homestay with a Western Australian family.

### 1. On-Campus Housing

**GlobeeDorm:** Regular Semester (16 weeks) approx. 1,156,000 KRW

HUFS directly manages Globee Dorm and the International Houses, while a management agency takes care of Global Hall. Payment for HUFS-managed dormitories is settled on the first week of the semester by wire transfer to HUFS, whereas Global Hall requires payment by wire transfer about 4-6 weeks prior to the start of the semester. This dorm has a curfew at midnight. Overnight stays (outside of the dorm) must be reported to the dorm office in person before 10:00 pm.

## 2. Off-Campus Housing

**International Houses:** Regular Semester (16 weeks) range from 1,620,000 KRW to 2,040,000 KRW

The International Houses are the HUFS off-campus dormitories operated by the international office. All the International Houses are located a short walking distance from campus.

GlobeDorm is a typical dormitory while International House A / C / E are apartment units.

## 3. Alternate Housing

Sometimes, unfortunately, it is not possible to place students in our dormitories since there is not enough space. While we do not provide assistance with alternative housing options, we have gathered some information on options to give students an idea of what a) the types of housing options available in Korea are, and b) ones that are near Seoul Campus.

We do not officially endorse any of the following companies. Information provided is based solely on publicly available information. Please do research before reserving a room at any of the accommodation listed below.

### GLOBAL CAMPUS (YONGIN CITY)

On-Campus HUFs Dorm: Regular Semester (16 weeks) 1,300,000 KRW

### GLOBAL CAMPUS (YONGIN CITY)

You will be notified about dormitory assignments about one month before the semester begins by email. We will not be able to tell you about room availability until current students move out at the end of the summer/winter session, and know how many students are returning for the regular semester.

# YOUR WAY ABROAD

The world has an interesting way of giving great experiences  
to the ones who are passionate about their dreams.
