

## Pathway programs

### Foundation Program

*3 trimesters AED 45,500 / USD 12,398, up to 50% scholarship*

The Foundation Program is created to prepare you for entry into the undergraduate program of your choice. The program is designed to help you learn the academic skills required to succeed at university and provide you with opportunities to enhance your language, research, maths, and IT skills along with subject knowledge and content.

- Business
- Information Technology
- Communication
- Psychology

### Diploma courses

*3 trimesters AED 58,200 / USD 15,859, up to 25% scholarship*

The Murdoch University Diploma programs are equivalent to the 1st year of your undergraduate studies and offer the best possible start to your studies. When you successfully complete the course, you can progress directly into the second year of your bachelor's degree. We offer Diploma courses across all four major disciplines – Business, Information Technology, Communication and Psychology. All Diploma courses require you to successfully finish eight units, leaving you with 16 units to complete in your bachelor's degree.

- Business
- Information Technology
- Communication
- Psychology

## Undergraduate courses

*Full fee: AED 174,600 / USD 47,575, up to 40% Academic Merit Scholarship*

Murdoch University Dubai offers a comprehensive range of degrees and majors, providing you with the opportunity to specialise in an area (or two) of your choice. All our undergraduate degrees have 24 units (72 credit points) and follow the same course structure and integrity as the programs at our home campus in Perth. At Murdoch University

Dubai, you also have the option to choose double majors with no additional fees or duration added to your course.

Our flexible learning options are tailored to allow students to design their course of study in accordance with their own personal requirements. Our double major option allows you to combine two different courses into one well-rounded education without extending your time at university for the price of one degree.

- Bachelor of Psychology
- Bachelor of Business in Accounting (9 ACCA Unit Exemptions)
- Bachelor of Business in Finance
- Bachelor of Business in Management
- Bachelor of Business in Marketing
- Bachelor of Communication in Strategic Communication
- Bachelor of Communication in Web Communication
- Bachelor of Information Technology in Artificial Intelligence and Autonomous Systems
- Bachelor of Information Technology in Business Information Systems
- Bachelor of Information Technology in Computer Science
- Bachelor of Information Technology in Cyber Security and Forensics
- Criminology (available as a second major only)

## Postgraduate courses

Murdoch University Dubai offers postgraduate degrees at two different levels depending on your career goals and aspirations - a Graduate Certificate and a Master's.

### **Graduate Certificate in Business Administration**

*1-2 trimesters full-time\* AED 25,000 / USD 6,812, guaranteed 20% scholarship*

### **Master of Business Administration (MBA)**

*3 trimesters full-time\* AED 89,000 / USD 24,251, guaranteed 20% scholarship*

Students can tailor their Master of Education degree by concentrating on either Instructional Leadership or International Education. Each major consists of 3 units (12 credit points) and is meant to help you specialise in your chosen area.

### **Graduate Certificate in Education (International Education)**

*2 trimesters part-time\* AED 25,000 / USD 6,812*

## **Graduate Certificate in Education (Instructional Leadership) with IB Teaching and Learning certification**

*2 trimesters part-time\* AED 25,000 / USD 6,812*

## **Master of Education (MEd)**

6 trimesters (coursework) only AED 75,000 / USD 20,436

- International Education (with IB Teaching and Learning certification)
- Instructional Leadership

## **Double Majors**

Murdoch University Dubai's flexible learning options are tailored to allow students to design their course of study in accordance with their own personal requirements. Our double major option allows you to combine two different courses into one well-rounded education without extending your time at university for the price of one degree.
